OUR SURVEY SAID

A different way to tell the story of what it’s like to be a member of Inclusive Employers.
Our membership includes many of the UK’s most inclusive workplaces, organisations that work hard to build cultures where staff feel valued so staff add value.

The Diversity and Inclusion leads, HR Directors, HR Managers and Business Partners need to think differently about the diversity and inclusion agenda. They need to think smartly to deliver inclusive cultures that make good commercial sense.

So we asked our members how they rate the support we offer them in comparison to their other memberships, our survey said...

*Based on respondents who hold/ have held other memberships of equality, diversity and inclusion networks/groups
Very hands-on, feels like we have your full support.

Inclusive Employers encourage us to think differently and to move away from the typical way of doing things.

100% of our members rated us 10/10 for the support they got.

80% said we provide greater value for money than their other memberships.*

100% of respondents are very likely to recommend us or already have.

100% said we provide greater value for money than their other memberships.*
90% said we offer more innovative thinking.

80% rated us 10/10 for the support they got.
